MARINA ON TOP

The Marina has become British Leyland's (UK) most popular car, following a record month for car sales in August.

Marina sales totalled 14,000, beating the company's 1100/1300 range with nearly 13,000 sales.

The 1100/1300 range until recently was Britain's largest selling car.

British Leyland's August retail sales of 67,000 units is the highest car sales ever recorded by a manufacturer in Britain for any one month.

The figure represents a 14 per cent increase over the record sales achieved in August last year.

Mini sales exceeded 10,000 units.
